Discord is a chat app originally developed for online gaming, but often used by the far-right and white supremacist groups to organize their groups and events. These logs contain thousands of messages detailing activities, organizing, and interactions of one particular group in the region.

In an ongoing series of articles, the coordinating anti-fascist groups will publish revealing information about this particular set of Nazis organizing throughout the Pacific Northwest region, from Ashland to Seattle. You can follow all of these stories by visiting our website at pnwawc.com, or following us on Twitter: [@pnwawc](https://twitter.com/pnwawc), and using the hashtag #PNWfascistlogs and #CCC.

About Justin Marbury

Justin Anthony Marbury (28 years-old of Medford, OR) is a self-loathing Nazi hotel worker who can't seem to hold down a job and has a major affinity for marijuana and ethno-nationalism. Evidently the love of weed no longer dulls his self-hatred and self-pity, so nowadays he channels his hatred by subjecting small southern Oregon towns to flyering campaigns of Nazi propaganda.

This behavior appears to have alienated him from both his friends and associates, while also pushing him into the arms of other neo-Nazis; chief among them being Jake “Lithium” Laskey of American Front, who is another lost soul with no real direction or impact on the world around him.

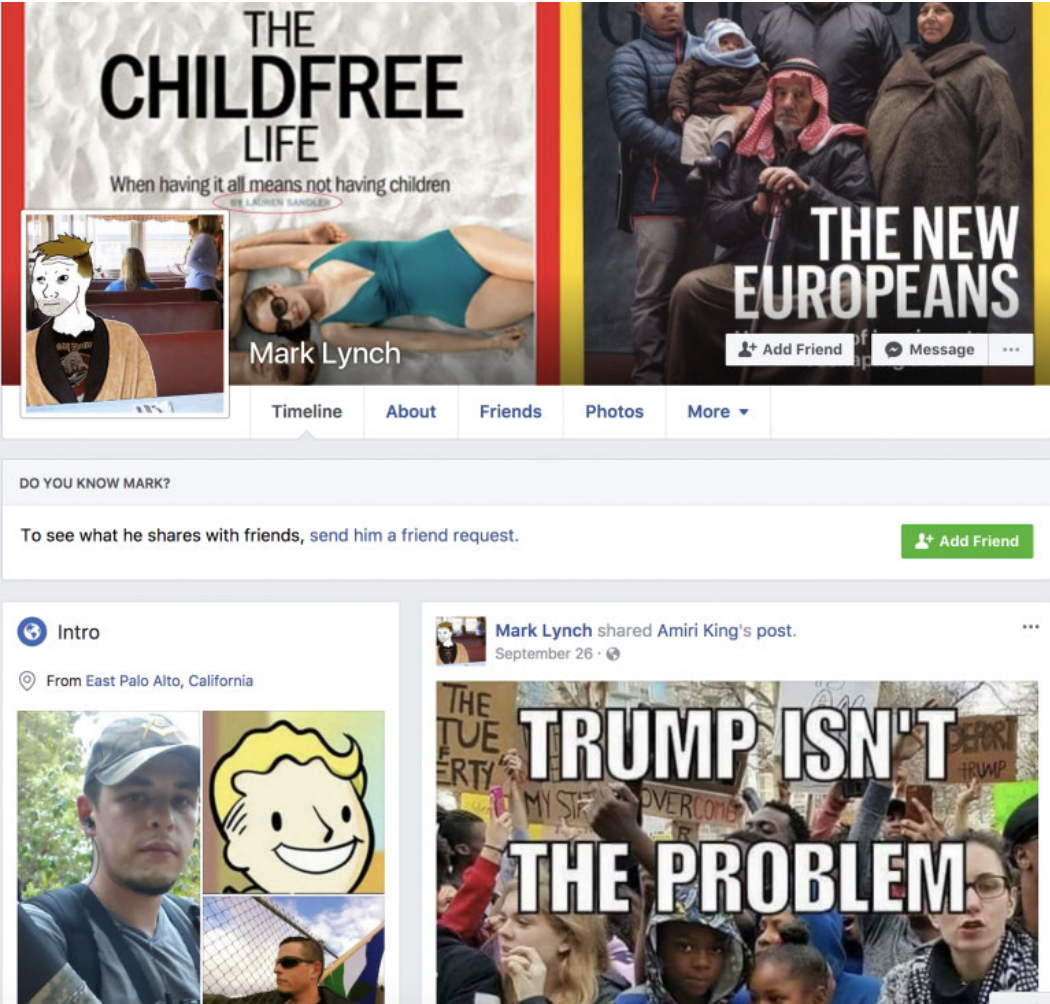

For now, let's shine a spotlight on Justin's Marbury's life...

Justin Marbury, who sometimes goes by “Mark Lynch” on Facebook, is also active on the chat app Discord as “Wehrmacht”. On the recently uncovered trove of Discord private chat logs, Marbury states that he has started a marijuana company called “Rogue Grow”, which records corroborate is registered in the state of Oregon as of August 25th, 2016.

Based out of Justin's hometown of Medford, Oregon, Rogue Grow has a YouTube channel called “Overgrow Oregon”. Additionally, Justin Marbury ran the now suspended Twitter account “Volksguard,” (@NationalistAct1) which was listed as the official home of the “Cascadian National Resistance”.

Not coincidentally, “Cascadian National Resistance” is also the name of the group that Justin used in his flyer campaign, which as far as can be determined by the Discord logs, has no known members other than Justin himself. This would indicate that Justin's primary motivation for the creation of the group is to make himself appear more important than he really is. However, Justin is also an active member in a larger neo-Nazi group, which we will explore in the coming days in a second companion article.

Justin Marbury's flyer admonishing neo-Nazis to take up arms. Note the usage of the "Sonnenrad" icon, which is commonly associated with neo-Nazi groups. These flyers were printed at his hotel job.

It appears Justin's ex-fiancée has left him over his racism, or maybe just because he is generally a dirt bag—or maybe it was because he got fired from his job at the Medford Holiday Inn Express; it could also be a combination of all of his failings. Either way, he gave us a great laugh making his self-pity public for all of us to see; there's nothing better than seeing a Nazi fall apart at the seams. Really though, it probably is for the best that Justin won't raise that kid. Five days prior to his pathetic post about having no friends and his ex-fiancée leaving, he posted in favor of ethnic cleansing in Myanmar. Who wouldn't run from someone like that?

Good morning everyone. Nobody will read this, but nevertheless I have to get it off my chest before I go. I've been fucked the least fun ways during the course of my life. I've been screwed over or cheated on 9 times and each time it was exactly the same as the last. Friends? Never had any or they'd still be here. Never in my life have I met a single loyal person. You are all a serious letdown. I loved my family and my son and it breaks my heart that he won't know me. Seems like it's for the best. I mean, everyone wouldn't turn their backs on me for being a great guy, right? I hope this makes everyone's life easier. See you around. 🙌🕶️

More trouble at home for Justin.

Looking into Justin Marbury's affiliations we find a few things, he is closely associated with Jimmy Marr, and has his own twitter/flyer project "Cascadian National Resistance," but there is one affiliation we would like to look deeper into, his association with American Front and Jake "Lithium" Laskey. If you are not familiar with Jake Laskey and American Front, our first article on them can be found [here](#). The American

2. **Greystorm Productions LLC**- A Facebook page based business that sells clothing and books for raising money to fund AF.
3. **American Patriots Brigade**- APB is for recruiting and vetting new members to the core American Front group. We will dig deeper into APB in a later article.

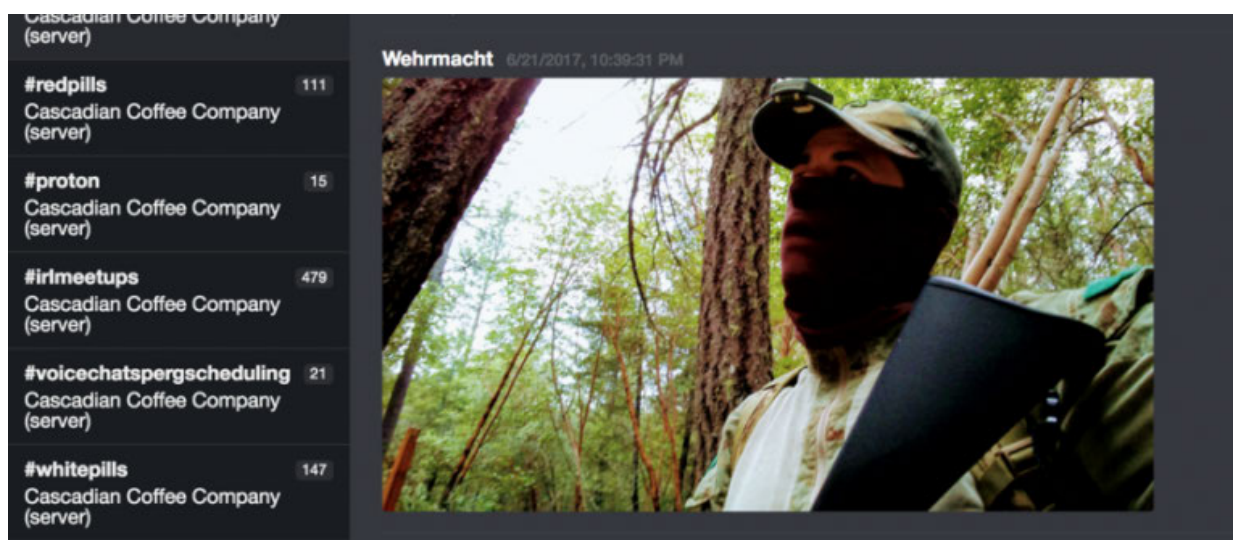

Justin Marbury is connected to American Front as a member of the American Patriots Brigade “APB.” In the Discord chats, he mentions American Front, meeting with Jake Laskey at his business the Wolfclan Armory, and mentions he is a prospecting member of the American Front “support” group APB. Other members of American Patriots Brigade will be written about as well, along with an in-depth overview of APB. In this particular article, we will stay focused on Justin Marbury.

PUGET SOUND ANARCHISTS

In the picture above, Marbury and comrades talk about meeting at American Front leader Jake Laskey's business the Wolfclan Armory. "Wehrmacht" (Justin Marbury) asks if Jake is coming and he is told "yes but after 6:30" by another user "Blackhat 16" ([Matthew Combs](#)). Justin is excited to finally be meeting AF leader Jake Laskey. Laskey always denies involvement in American Front and Greystorm Productions LLC, mainly because his parole terms prohibit his involvement, but we can see from these chats that he is working within the American Front network, and with supporter recruits like Justin Marbury.

Justin Marbury Training for his dreams of a white Nationalist militia seizing power.

As a new recruit to the American Patriots Brigade, Justin states that the point of APB and AF are to have a nationalist militia in the event of a societal collapse. We understand this to be a white ethno-nationalist, neo-Nazi militia that would attempt to seize power and create a white ethno-state. [American Front](#) is a long time running neo-Nazi bonehead gang (real skinheads are not racist) dating back to 1984, known for extreme violence and acts of domestic terror.

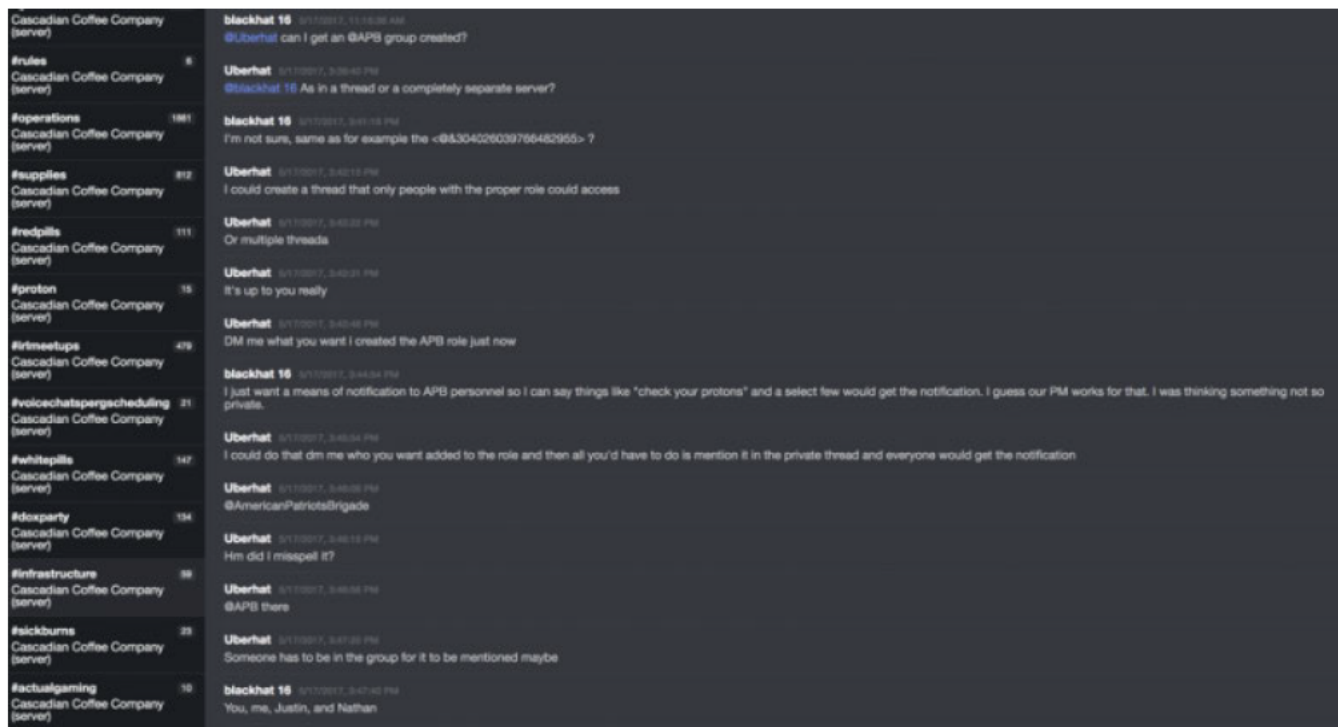

PUGET SOUND ANARCHISTS

Justin Marbury advocating for neo-Nazi terrorism.

Justin Marbury likes to brag about his racist flyering of small towns and also his ability to make flyers, in this particular picture he shows off one of his racist flyers, followed by his assertion that he made 3 flyers for the APB of which he is a known prospect.

Justin Marbury inquiring with others regarding creating American Patriots Brigade members chat in the Discord chats.

In the screen shot above, one of the users asks in the first entry for an APB group to be formed in the Discord chats, the final entry lists four of the Discord users to be added to the APB role. Justin is mentioned by first name as one of the 4 members to be added to the APB member chat group.

Justin Marbury's entry into the American Front affiliated APB group shows us that he is trying to become a militant neo-Nazi, and we find that he is eager to graduate from

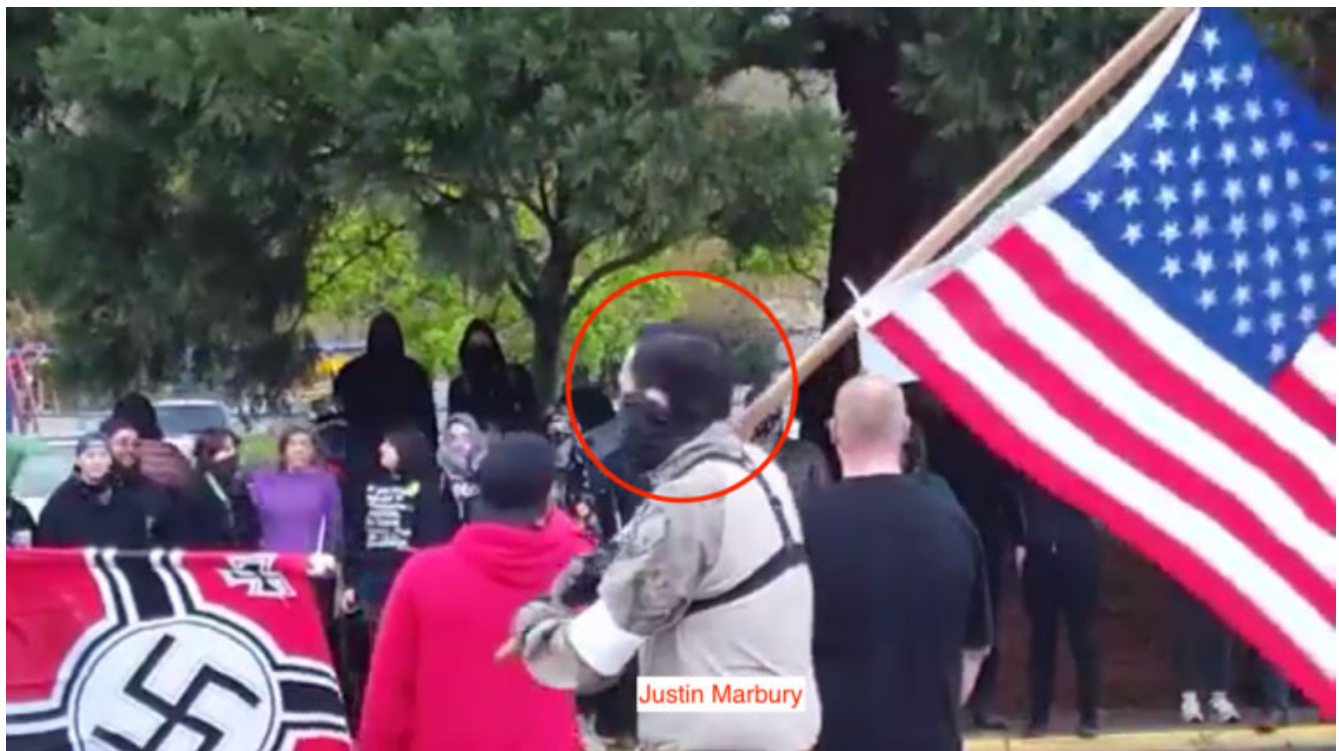

PUGET SOUND ANARCHISTS

acts of violence and domestic terrorism that is widely documented and reported.

Another clear link between Justin Marbury, APB, and American Front.

On 4-24-2017, Jimmy Marr staged a Nazi flag wave at his home in Springfield, Oregon, staged as a Nazi gathering to state that the Holocaust was a hoax. This flag wave had several users from the Discord chats present, Justin Marbury was one of the proud Nazis that showed up for this racist provocation of holocaust denial and Sieg Heils, coupled with the waving of Nazi, KEK, and American flags. The use of the American flag is a known tactic of neo-Nazis to tone down and appeal to more mainstream racists. It is a tactic openly employed by Marbury's group, the APB, and many other neo-Nazi groups seeking a mainstream appeal.

PUGET SOUND ANARCHISTS

Justin Marbury pictured second from Left.

The above three pictures capture Justin Marbury AKA “Wehrmacht” at Jimmy Marr’s house on 4-24-17 at the event that was for the intent of creating a racist provocation in Springfield, Oregon, and to make an assertion that the Holocaust never happened. While he is pictured carrying an American flag, you can see Jimmy Marr’s Nazi truck, and a Nazi flag, along with Holocaust denial signs, which was the point of this Nazi gathering.

Justin works and lives in the city of Medford, Oregon. Lately, he has not been able to hold down a job though, having recently been let go by the Medford Holiday Inn Express he appears to be unemployed. He also has a marijuana grow business called “Rogue Grow” though we doubt that he has been able to find any success at the grow operation considering his business’s weak presence on the net, and lack of updates. While we believe this business is still trying to survive, we believe Justin has moved to seeking employment or possibly working at another Hotel in the Medford area. We find Justin working at a hotel very troubling, as in the Discord chats he was posting pictures of the hotel registration screen that exposed several guest’s names and phone numbers to his Nazi comrades, that he felt had Jewish sounding last names. We have blurred the screen shot containing the hotel guest names as we do not want to further expose those people’s personal information. Besides posting pictures of the hotel guest registration names, Justin routinely makes racist comments about the people staying at the hotel to his Nazi friends.

What went so terribly wrong with Justin Marbury to go from being a peaceful Buddhist, turned Bernie bro that supported equal rights, to a complete monster that manifest's his hate into white supremacy and ethno-nationalism? Maybe this was always there just lurking waiting for the perfect time. We do know this about Justin: he is a newer white supremacist that flipped in early 2017. He Joined up with Jimmy Marr, American Front via the "American Patriots Brigade" and created his own "Cascadian Nationalist Resistance" via the "Volksguard" twitter account. Since turning to white supremacy, he has struggled to keep a job, lost many friends, his start-up business seems to be failing, and his ex-fiancée has left him taking their child with her. Hopefully Justin will find a different path, and stop making excuses for his own life failings, though he seems content with using white supremacy and hate to redirect his own self-hate onto others in the community.

Q

ABOUT JUSTIN

Firstly, my name is Justin, derived from the Latin; meaning Justice. I highly value education, and it's my desire to enter the STEM field. I find philosophy, history, cognitive science, physics and evolutionary biology absolutely fascinating. I'm a bit of a nerd. I enjoy video games (computer and console) every now and then, but spend nearly all of my time working and going to the gym (AF). I rarely watch tv, but when I do, it's likely start trek, the big bang theory, etc. I'd really like to start hiking, shooting and fishing again soon, they are three of my favorite things to do. I hunt: birds only though. I have high expectations of people, in that I expect them to act their age and refrain from taking offense at every little thing, because I'm straightforward, and this character trait often results in me being confused for your run-of-the-mill-asshole. I'm single -with no kids- 25, employed full time, in school and I've never used drugs. I know.

Amazing!

English is my first language, sarcasm the second. I'm a skeptic, and a politically active secularist. My family is of Norwegian ancestry: yes, the elusive Scandinavian people that Bernie Sanders always talks about! I also support Sanders, since I'm on the topic. I also have a very unique sense of humor, I can find almost anything amusing, or make it amusing if it isn't. Laughing and making others laugh is something I enjoy. I lived at a monastery beginning in 2010 and moved in 2011 to SC, only to move back to Oregon a year later. I'm starting my own small business to help me with college, and have had to lose the majority of the people who were my "friends" to get where I'm at.

Justin starts to go off the rails post-Bernie.

Downside to teespring stickers @Australopithecus Jordan , they look kinda stretched to fit. They look pretty good, but stretched. I look forward to seeing what that sticker site you found turns out.
